Checklist Part 1: HIGH RISK CATEGORIES

Will your project involve clinical trials? *

No

Will your project involve the use of human blood or other human tissue? *

No

Will your project involve administering any drugs, placebos, food stuffs or drink to participants? *

No

Will your project involve the participation of NHS and/or Social Services staff, patients, equipment and/or facilities? *

No

Will your project involve participants who are particularly vulnerable? (e.g. refugees, prisoners, victims of violence) *

No

Will your project involve participants who are unable to give informed consent? (e.g. children, people with learning disabilities) *

No

Will your project risk causing psychological stress or anxiety or other harm or negative consequences beyond that normally encountered by the participants in their life outside research? *

No

Will your project involve actively deceiving the participants? (e.g., will participants be deliberately falsely informed, will information be withheld from them or will they be misled in such a way that they are likely to object or show unease when debriefed about the study) *

No

Will your project involve accessing and/or storing data that comes under the Official Secrets Act and/or poses a risk to National security? *

No

Is there potential for your project to have unintended harmful consequences (e.g. military use of technology / 'weaponisation' of artificial intelligence)? *

No

Checklist Part 2: MEDIUM RISK CATEGORIES

Will your project involve participants? *

No

Will it be necessary for participants to take part in the study without their knowledge and consent at the time? (e.g. covert observation of people in non-public places) *

No

Will financial inducements (other than reasonable expenses and compensation for time) be offered to participants? *

No

Will your project involve collecting participant data (e.g. personal and/or sensitive data referring to a living individual)? *

No

Will your project involve accessing secondary data that is not in the public domain (e.g. personal data collected by another user)? *

No

Will your project involve accessing commercially sensitive information? *

No

Could your project have negative environmental impacts (e.g. disturbance of natural habitats; damage to, or contamination of, buildings/artefacts/wildlife) *

No
